

# Blessy sharon M

## Objective

Eager to bring my dedication and proactive approach to an innovative organization in the tech industry. With a robust passion for technology and practical experience in computer applications, I am seeking an internship where I can further develop my skills. I am inspired by organizations that lead with pioneering innovations and make significant contributions on a global scale. Joining your team would not only allow me to contribute to meaningful projects but also help me grow professionally in a dynamic environment.

## Experience

### • Student Representative - Sci-tech event

- Organized logistics and managed budget for National Science Day tech event.
- Liaised between university administration & collecting proposals from student groups.
- Increased event attendance through effective promotion strategies.
- Collaborated with event planning committee and volunteers for successful execution.

### • Student Representative - Association of christian christite

- Acted as a liaison between the student body and the association, advocating for the needs and interests of fellow students.
- Represented the association at university-wide events and participated in discussions on matters affecting student welfare and campus culture.
